

# ART STUDIO FEE

(Please return this form with Studio Fee)

Your child/student has been enrolled in a Visual Arts Elective at Lake Worth High School. It is a yearlong course that meets the State of Florida’s High School Graduation Requirements. For this Course there is a Studio Art Fee that will cover your child’s Art supplies for the entire year. **The Art programs at Lake Worth High School and Palm Beach County receive NO BUDGET allocation, which means we rely solely on Class Fees and Donations to continue to operate.** A Class fee of **\$20** will cover your child’s art materials for the entire year. Please note that field trip eligibility will come from students that have paid the art fee first.
