

2019 3D Midterm Exam

Your goal is to show that you have reached LEVEL 4 understanding of the following topics. Level 4 means that you understand and can teach someone else about the topic. Show me that you can do that by completing THREE out of the four informational posters (regular sized paper) or pamphlets about EACH of the following topics;

OPTION 1: Paper Garment How-To (Use your brain/recollection)

- Create a step-by-step explanation of how to do the 'paper garment project
- Should be in a poster or brochure format
- Include diagrams
- Include tips/techniques
- Make sure to explain the difference between 2D and 3D
- List project goal(s)

OPTION 2: Elements of Art Informational Poster/Brochure (Use textbook/phone/computer)

- Create a poster or brochure for the Elements (line, color, value, texture, space, shape, and form)
- Must include definitions for each element (7 definitions)
- Must include a graphic that explains each element

OPTION 3: Color Information Poster/Brochure (Use textbook/phone/computer)

- Create a poster or brochure that Includes the following definitions;
 - Primary colors
 - Secondary colors
 - Intermediate colors
- Must include a creative color wheel (meaning NOT a basic one!)

OPTION 4: Monochromatic Poster/Brochure (Use textbook/phone/computer)

- Create a poster or brochure for the following color information (definitions)
 - Tone
 - Tint
 - Shade
 - Monochromatic
- Choose one color, show two tints, two tones and two shade for that color in a value scale format
- Create a small picture of your choice using ONLY the tints/tones and shades of the color that your chose
