

3D EXAM REVIEW

Name _____
Class Period _____

Directions: Create resource posters for **FIVE out of the SIX** of the prompts below. You should spend a **minimum of 30 minutes per poster/prompt**, using the FULL TIME allotted for the exam review. If you run out of time, just write me a note and tell me why. I am looking at the **quality of the work and the depth of knowledge**. Pretend you are making this for someone that is brand new to the class- **you are teaching them about each topic**. Each resource poster should;

- have the **topic/prompt in a large, bold manner** (*bubble/block/graffiti letters*) to grab the viewers' attention.
- have **step by step** 'how to/explanation' **diagrams** and include the related **definitions**
- Consider creating a 'character' to help 'teach' the information in each of your posters
- Include borders, add color...should look like a **professional poster**

Your goal is to show that you have reached level 4 understanding on the four topics you choose. Level 4 means that you understand and can teach someone else about the topic.

Resource 1: Slab (Use textbook/phone/student computer)

- Step-by-step of how to create a clay pocket, make sure to discuss correctly attaching the clay (*written steps AND diagrams showing how to make the clay pocket*)
- Include definitions for the following vocab:
 - Wedge/Slab/Slip/Score

Resource 2: Coil (Use textbook/phone/student computer)

- Step-by-step of how to create a clay slab box with attachments on the *sides* (*written steps AND diagrams showing how to make the slab box*)
- Include definitions for the following vocab:
 - Wedge/Slab/Slip/Score/Coil

Resource 3: Pinch (Use textbook/phone/student computer)

- Step-by-step of how to create a clay pinch pot with attachments on the *sides* (*written steps AND diagrams showing how to make pinch pot*)
- Include definitions for the following vocab:
 - Wedge/Slip/Score

Resource 4: Glazing Pottery (Use textbook/phone/student computer)

- Define Glaze (*make sure it is the definition that is relevant to clay/ceramics*)
- What is glaze and how is it different from paint?
- Explain step-by-step instructions for glazing a piece of pottery (*written steps AND diagrams showing how to glaze*)
- Include list/pics of ALL tools/items needed to glaze (*water cup, paint brushes, etc.*)
- Glazing Do's and Don'ts

Resource 5: Stages of Clay (Use textbook/phone/student computer)

- Vocab/Stages (*listed in order below*) with diagram/illustration and definitions/explanations of each stage
 - Slip/Slurry
 - Wet/soft
 - Leather hard
 - Bone dry/Greenware
 - Bisque/Bisqueware
 - Glazed/Glazeware

Resource 6: Paper Mache Letter- from start to finish- explain with diagrams how to create a paper mache letter.
