

MRS. GIRONDA ART CLASS WISH LIST

Lake Worth High School

I do not have a designated budget for our art program at My Title 1 School. Any money that comes in is from student fee, a small Teacher Lead money stipend, and any grants that I can get and out of the pockets of the art teachers here at LWS. I would happily accept any of the items below in new or gently used condition. If you have any other items you think that I could use with my students- please contact me!
